PRIMARY SCHOOL

SCIENCE CHOICE BOARD

Hello everyone! I have put together some work for you to do at home. If you have any questions for me, please contact me at carly.wilamowski772@schools.sa.edu.au

Thanks!

Miss W ☺

Year 1 Science Work

Make a weather journal and record the weather symbols for that week.	Graph the weather (see attachment).	Observe the night sky and record what you notice.
Make a types of weather cube (see attachment) and draw things you can do in that weather.	Walk around your house and record the natural, managed and constructed features.	Go to https://tinyurl.com/m68psmx and learn about constellations. Draw your favourite one.
