

Dear Parents,

We would like to thank everyone for your continual support and understanding in these difficult times. The Year 4 team have created an outlined learning plan for those families who have opted to keep their children home.

If you do decide to keep your child at home, to enable us to keep attendance records accurate, please let the class teacher or the office know and for how long. For example 'we are keeping [students name] at home until the end of term 1 because of Covid-19.'

Attached is a suggested Home Learning Timetable if you wish to follow this to keep students in line with a typical school learning day. Feel free to adjust this as relevant to your situation at home.

We have also included Activity Boards for *English, Maths, Geography* and *Health* aligning to what is happening in class. Specialist teachers will also send home Activity boards for their respective subjects; *The Arts, Science, Italian, PE*.

If you have any questions, please contact the school or the class teacher via email/SeeSaw and we will do our best to support you during this unprecedented time.

Kind Regards,

The year 4 teaching team

Chris, Elyse and Stefan.
