Goals	Targets	Challenge of practice	Success criteria
Increase student achievement in reading, years R to 2.	By term 4 2019, 85% of the current Receptions will meet the SEA for reading as measured by Running Records.	If we develop and strengthen the teaching of reading in the early years with a systematic approach to teaching phonics in conjunction with other aspects of the Big 6, more students will meet the early years identified benchmarks and be independent readers at the end of year 2.	As we monitor student progress, we will see they can: Recognise letters and sounds orally segment words and blend phonemes to create known and unknown words. Read an increasing number of high frequency words in decodable texts and different contexts.
	By term 4, 2020, 80% of current year 1 students will meet the SEA for reading as measured by Running Records ATSI target- 40% of all ATSI students reach SEA
